# WARM WEATHER

Mid-February to November 1st

Fishing is permitted in shaded areas designated on the map.

## REGULATIONS

1. Minimum size limit for walleye & saugeye is 15 inches long. Only 1 walleye or saugeye in the aggregate longer than 21 inches can be taken per day.
2. Minimum size limit for wipers is 15 inches long.
3. Fishing is prohibited from the dam between 10 PM and 6 AM.
4. Youth under the age of 16 do not need a fishing license and may take a full bag and possession limit without a license.
5. Fishing is prohibited from the swim beaches
6. Boats aren't allowed in or near the swim beaches, outlet tube area, inlet or dike fishing area.
7. Since Jackson Lake was built for irrigational purposes, please check conditions on the web site for up-to-date information regarding water levels, boating & fishing conditions, etc

**NOTE:** Refer to the Division of Wildlife Fishing Directory for additional regulations including bag limits, etc. This booklet, in addition to the Waterfowl Hunting booklet, provides specific information regarding the State Wildlife Area on the northeast corner of the reservoir. Since this area is not part of the State Park, entrance requires a Habitat Stamp for persons age 19 through 64.

# WINTER WEATHER

November 1st to Mid-February

Ice fishing is permitted in areas designated by  on the map.

## ICE SAFETY TIPS

1. Always have a life jacket available.
2. Never go out on the ice alone.
3. Tell someone where you are going and when you plan to return.
4. Because ice conditions vary, cross at own risk.

## REGULATIONS

1. Portable ice fishing structures are permitted but must be removed at the end of the day.
2. All open fires on the ice must be contained within a metal container.
3. No litter, including fish entrails, may be left on the ice. Please use trash containers.
4. Ice fishing holes may not exceed 10" in diameter or 10" on any side.
