

DEALER/WHOLESALE APPLICATION INFORMATION

MOTOR VEHICLE DEALER BOARD

The Motor Vehicle Dealer Board has the authority to approve or deny any application for a dealer or wholesaler license based on the licensing fitness of the applicant. To determine licensing fitness of an applicant, all required forms must be completed and submitted to the Auto Industry Division (AID) along with the fee.

Each application must be complete. The owner, partner, corporate officer, or LLC manager of the dealership must sign each application.

A motor vehicle **dealer or wholesaler license may be denied or suspended if a material misstatement is made in an application for a license.** A "Material Misstatement" means any false or misleading statement, omission, or misrepresentation by the applicant or any partner, officer, director, or shareholder regarding personal identification information, employment history, prior occupational licensing history, personal or business financial information, criminal background and history including arrests, filings, convictions, judgements, decrees and stipulations.

It will take approximately **two to four weeks to complete the review and to determine licensing fitness.** Licensing history, financial fitness, and criminal history are criteria used to evaluate the fitness of applicants.

If the application does not meet the criteria, it is sent to the Board for consideration at its next Board meeting which is usually held the second Thursday of each month.

The DBA or trade name (question 2 on the application, DR2109) is the dealer or wholesaler licensed name. All business must be conducted, including advertising, MCOs, titles, and signage in the licensed name.

COURT RECORDS

If the applicant has ever been arrested, charged with, convicted of or plead no contest to any felony or misdemeanor crime in the past ten years, excluding traffic violations, full details **must** be provided including type of crime, date, place of conviction, sentence received, etc. Supporting documents **must** be included with the application.

To secure the court documents, the applicant should follow these steps:

- 1) Identify the county where the charges were filed; i.e. if the arresting agency was Lakewood P.D., then the court would be Jefferson County. Do not expect to get Jefferson County records from Arapahoe County.
- 2) Request records in person and expect a fee to be charged.
- 3) Records are kept with each court's clerk; i.e. District Court Clerk vs. County Court Clerk. The applicant may have to contact more than one clerk's office to obtain all of the records.
- 4) Complete the record request card (slip) at the clerk's counter. The clerk will locate the court file and the applicant must locate the court's findings from within the file. Some courts may provide a computer printout.
- 5) Be prepared to make copies of the documents themselves and have change to feed the copier.

Denial is mandated by statute when an applicant for a license has been convicted of or pled no contest to any of the following offenses in Colorado or any other jurisdiction during the past ten years: 1) A felony in violation of Article 3, 4 or 5 of Title 18 C.R.S. or any similar crime in another jurisdiction. 2) Any crime involving odometer, salvage, motor vehicle title fraud or the defrauding of a retail consumer in a motor vehicle sale or lease transaction.

(over \$500), commercial bribery, bribery in sports and equity skimming.

STATEMENT OF FINANCIAL CONDITION

The applicant is required to submit a current financial statement and supporting documents showing accurate information regarding the assets, liabilities and net worth. Form DR2114 "Statement of Financial Condition," should be used because this signed statement allows the Dealer Board to obtain a copy of a credit report. If the applicant uses another type of financial statement, a written authorization to obtain a credit report must be attached.

If the applicant is a partnership, a financial statement for each partner must be provided. A husband and wife may submit a single joint statement.

If the applicant is a corporation, a financial statement for the corporation is required. Plus, a financial statement for each owner is required.

If the applicant is an LLC, a financial statement for the LLC is required. Plus, a financial statement for each member is required.

If the corporation or LLC is not yet active, a signed pro forma statement reflecting anticipated assets and liabilities as of the first day of business may be submitted. Financial statements for each owner, stockholder or member are still required. The applicant may not mix personal and business assets and liabilities.

If the applicant has any bankruptcies, foreclosures, judgments, liens, charge-offs, repossessions or collection accounts that may appear on a credit record, a written explanation must be attached to the financial statement. Failure to do so will delay processing and/or may result in denial of a license.

A net worth of at least \$50,000 is required. At least one owner or the corp/LLC must have the net worth.

CREDIT BUREAU REPORTS

AID will obtain a credit bureau report from Experian. This report is an indicator of the applicant's financial fitness, similar to financial statements. Derogatory information on the credit report may result in a rejection of the application. If there is derogatory information, the applicant must explain and/or resolve the action. An applicant should obtain their own credit report and resolve any disputes prior to submitting the application.

A credit score of 600 or above is required.

SURETY BOND REQUIREMENTS
