## Mesa County Health Department

Serving: Mesa  
Location: 510 29½ Road  
Grand Junction, CO 81504  
Address: PO Box 20000-5033  
Grand Junction, CO 81502-5033  
Main Phone: 970-248-6900  
Fax Line: 970-248-6972

## Northeast Colorado Health Department

Serving: Logan, Morgan, Phillips, Sedgwick,  
Washington, Yuma  
Address: 700 Columbine Street  
Sterling, CO 80751-3728  
Main Phone: 970-522-3741  
Fax Line: 970-522-1412

## Otero County Department of Health

Serving: Otero  
Address: 13 West 3<sup>rd</sup> Street  
Room 111, County Courthouse  
La Junta, CO 81050  
Main Phone: 719-383-3040  
Fax Line: 719-383-3060

## Pueblo City-County Health Department

Serving: Pueblo  
Address: 151 Central Main Street  
Pueblo, CO 81003-4297  
Main Phone: 719-583-4300  
Fax Line: 719-583-4554

## San Juan Basin Health Department

Serving: Archuleta, La Plata  
Location: 281 Sawyer Drive  
Durango, CO 81302  
Address: PO Box 140  
Durango, CO 81302  
Main Phone: 970-247-5702  
Fax Line: 970-247-9126

## Tri-County Health Department

Serving: Adams, Arapahoe, Douglas  
Address: 7000 East Belleview, Suite 301  
Englewood, CO 80111-1628  
Main Phone: 303-220-9200  
Fax Line: 303-220-9208

## Weld County Department of Public Health and Environment

Serving: Weld  
Address: 1555 North 17<sup>th</sup> Avenue  
Greeley, CO 80631  
Main Phone: 970-304-6410

| Influenza (TIV)   | Fluzone          | Aventis Pasteur                  | Inactivated          | single-dose syringe and 10-dose vial |
| Influenza: (TIV; ped 6–35 mos; preservative-free)         | Fluzone          | Aventis Pasteur                  | Inactivated          | single-dose syringe (0.25 & 0.5 mL)  |
| Measles, Mumps, Rubella (MMR)                             | M-M-R II         | Merck                            | Live attenuated      | single-dose vial                     |
| Measles   | Attenuvax        | Merck                            | Live attenuated      | single-dose vial                     |
| Mumps   | Mumpsvax         | Merck                            | Live attenuated      | single-dose vial                     |
| Rubella   | Meruvax II       | Merck                            | Live attenuated      | single-dose vial                     |
| Meningococcal polysaccharide (A/C/Y/W-135)                | Menomune         | Aventis Pasteur                  | Inactivated          | single- and 10-dose vial             |
| Pneumococcal conjugate, 7-valent                          | Prevnar          | Wyeth                            | Inactivated          | single-dose vial                     |
| Pneumococcal polysaccharide, 23-valent                    | Pneumovax 23     | Merck                            | Inactivated          | single-dose vial or 5-dose vial      |
| Polio (IPV)   | IPOLE            | Aventis Pasteur                  | Inactivated          | single-dose syringe and 10-dose vial |
| Varicella   | Varivax          | Merck                            | Live attenuated      | single-dose vial                     |
| Varicella-zoster immune globulin (VZIG)                   | generic          | Mass. Biologic Labs <sup>2</sup> | Human immunoglobulin | 125-unit and 625-unit vials          |
| Anthrax, adsorbed   | BioThrax         | BioPort                          | Inactivated          | multi-dose vial                      |
| Japanese encephalitis                                     | JE-VAX           | Aventis Pasteur                  | Inactivated          | single- and 10-dose vial             |
| Rabies  | Imovax           | Aventis Pasteur                  | Inactivated          | single-dose vial                     |
| Rabies  | RabAvert         | Chiron                           | Inactivated          | single-dose vial                     |
| Rabies immune globulin (RIG)                              | Imogam Rabies-HT | Aventis Pasteur                  | Human immunoglobulin | 2 mL and 10 mL vials                 |
| Rabies immune globulin (RIG)                              | BayRab           | Bayer                            | Human immunoglobulin | 2 mL and 10 mL vials                 |
| Typhoid Vi polysaccharide                                 | Typhim Vi        | Aventis Pasteur                  | Inactivated          | single-dose syringe and 20-dose vial |
| Typhoid, live oral Ty21a                                  | Vivotif          | Berna                            | Live attenuated      | 4-capsule package                    |
| Yellow fever  | YF-Vax           | Aventis Pasteur                  | Live attenuated      | single- and 5-dose vial              |

## Vaccines and Biologics Used in U.S. and Foreign Markets

This table lists many vaccine products that are (or have been) used in the U.S. and in international markets. While we have checked and rechecked our sources for this information, we do not claim complete accuracy.

| <b>Product or trade name</b> | <b>Antigen(s)</b>   | <b>Manufacturer* (country)</b>           |
|------------------------------|---|--|
| A.D.T.                       | Diphtheria, tetanus (adsorbed)                                      | Commonwealth (Australia)                 |
| A.K.D.S.                     | Diphtheria, tetanus, pertussis                                      | _____ (U.K.)                             |
| AC Vax                       | Meningococcus (polysaccharide)                                      | GSK (U.K.)                               |
| Acel-Imune ✘                 | Diphtheria, tetanus, (acellular) pertussis                          | WYE (U.S.)                               |
| ACTAcel                      | Diphtheria, tetanus, pertussis, Hib                                 | AVP (Argentina)                          |
| ActHIB                       | Haemophilus influenzae type b (PRP-T)                               | AVP (U.S.)                               |
| Aimmugen                     | Hepatitis A (inactivated)   | Chemo-Sero-Therapeutic Resh Inst (Japan) |
| Aldiana                      | Diphtheria (absorbed)   | Sevac (Czechoslovakia)                   |
| Alditeana                    | Diphtheria, tetanus (absorbed)                                      | Sevac (Czechoslovakia)                   |
| Alditerpera                  | Diphtheria, tetanus (adsorbed), pertussis                           | Sevac (Czechoslovakia)                   |
| Amaril                       | Yellow fever  | AVP (France)                             |
| AMC                          | <i>Haemophilus influenzae</i> , type b                              | _____ (Cuba)                             |
| Anadifterall                 | Diphtheria (adsorbed)   | CHIR (Italy)                             |
| Anatetall                    | Tetanus (adsorbed)  | CHIR (Italy)                             |
| Arilvax                      | Yellow fever  | MEDI (U.K.)                              |
| Attenuvax ✘                  | Measles (live, further attenuated)                                  | MRK (U.S.)                               |
| AVAC-1, AVA                  | Anthrax   | (for U.S. military use)                  |
| AVAXIM                       | Hepatitis A   | AVP (_____)                              |
| B-CAPSA ✘                    | <i>Haemophilus influenzae</i> type b (polysaccharide, 1987 to 1989) | Mead Johnson (U.S.)                      |
| BayGam                       | Human immunoglobulin  | Bayer Corporation (U.S.)                 |
| BayHep B                     | Hepatitis B immune globulin (human)                                 | Bayer Corporation (U.S.)                 |
| BayRab                       | Rabies immune globulin  | Bayer Corporation (U.S.)                 |
| BayTet                       | Tetanus immune globulin (human)                                     | Bayer Corporation (U.S.)                 |
| BCG                          | Tuberculosis  | Multiple manufacturers and countries     |
| Begrivac                     | Influenza (split virus)   | CHIR (Germany)                           |
| Biavax II ✘                  | Rubella, mumps (live)   | MRK (U.S.)                               |
| Biavax ✘                     | Rubella, mumps (live)   | MRK (U.S.)                               |
| BIG                          | Botulism immune globulin (not a vaccine)                            |  |
| Biken-HB                     | Hepatitis B (recombinant)   | BIK (Japan)                              |

**\*Abbreviations:** **AVP** = Aventis Pasteur (includes Connaught Laboratories and Pasteur Mérieux Connaught); **BER** = Berna Products Corporation (includes Swiss Serum and Vaccine Institute Berne); **BIK** = The Research Foundation for Microbial Diseases of Osaka University; **BPT** = BioPort (successor entity for Michigan Biologic Products Institute); **CEN** = Centeon L.L.C. (includes Armour Pharmaceutical Company); **CHIR** = Chiron Corporation (includes Sclavo); **EVN** = Evans Medical Limited; **KGC** = Korea Green Cross Corporation; **GSK** = GlaxoSmithKline (includes ...); **MA** = Massachusetts Public Health Biologic Laboratories; **MEDI** = MedImmune (purchased Aviron); **MRK** = Merck & Co., Inc.; **NABI** = Nabi Pharmaceuticals (formerly North American Biologicals, Inc.); **OTC** = Organon Teknika Corporation; **PJP** = PowderJect Pharmaceuticals; **PD** = Parke Davis; **WYE** = Wyeth Pharmaceuticals, (includes Wyeth-Lederle, Wyeth Laboratories, Lederle Laboratories, Praxis Biologics).

**Table 2: Translation of Vaccine-Related Terms**

The table below lists many of the terms you will find on immunization records of persons born outside of the U.S., along with their translation into English. In most cases, the term refers to the name of a disease against which the person may have been vaccinated. While we have checked and rechecked our sources for this information, we do not claim complete accuracy. **November 2004**

| Term                 | English Translation              | Language                    |
|----------------------|----------------------------------|-----------------------------|
| (Anti) .....         | (Against) <i>name of disease</i> | Multiple languages          |
| Alhasiba             | Rubella                          | Arabic                      |
| Antipolio inattivato | IPV                              | Italian                     |
| AR                   | Measles                          | Romania                     |
| As'al addeekee       | Pertussis                        | Arabic                      |
| Athab                | Mumps                            | Arabic                      |
| Bach Hâu             | Diphtheria                       | Vietnamese                  |
