Educational Rights of Parents

Derechos Educativos de los Padres

Chart a Course for the Future (The Transition Toolkit)

The Toolkit contains a very comprehensive, well-organized set of materials that includes these topics plus much more:

- Definition of terms and explanation of the transition process
- Tips for parents... career planning, preparation for adulthood
- Transition checklists
- Assessment Forms and Inventory Forms
- Organizational tips... gathering and maintaining a Body of Evidence
- The IEP process, legal rights
- School programs and resources
- Adult and community agencies
- A series of separate Cooperative Services "Handbooks"
 - Youth in Transition – Colorado Division of Vocational Rehabilitation
 - Youth with Developmental Disabilities – Department of Human Services
 - A Guide to School Mental Health Services
