FINDING OF NO SIGNIFICANT IMPACT

An environmental review for the project has been made by the <u>(city/county)</u> and is available for public examination and copying at the offices noted below. Based on this review, the <u>(city/county)</u> has determined that a request for release of project funds will not significantly affect the quality of the human environment and hence, an environmental impact statement will not be undertaken under the National Environmental Policy Act of 1969 (P.L. 91-190).
The reasons for the decision not to prepare an environmental impact statement are as follows:
PUBLIC COMMENTS ON FINDING
All interested agencies, groups or persons disagreeing with these decisions are invited to submit written comments for consideration by the city/county by * . All comments must clearly specify which decision they object to the Finding of No Significant Impact or the Request for Release of Funds. All comments so received will be considered by the city/county prior to its taking any administrative action or requesting release of funds on the date listed immediately above.
RELEASE OF GRANT FUNDS
The city/county will undertake the project described above with CDBG/HOME Grant funds from the Department of Local Affairs, under Title I of the Housing and Community Development Act of 1974 or Title II of the Cranston-Gonzalez National Affordable Housing Act. The city/county is certifying to the state that the city/county and (name of certifying officer) , in his/her official capacity, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the city/county may use the CDBG/HOME Grant funds, and the state will have satisfied its responsibilities under the National Environmental Policy Act of 1969 and other environmental responsibilities listed in 24 CFR Part 58. The state will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) that the certification was not in fact executed by the Chief Executive Officer or other officer of the city/county and approved by the state (b) that the applicants environmental review record for the project indicated omission of a required decision finding, or step applicable to the project in the environmental review process, or (c) another Federal agency has submitted written comments pursuant to section 309 of the Clean Air Act or Section 102(c) of NEPA. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to Department of Local Affairs, CDBG/HOME Program Staff, 1313 Sherman St., Room 521, Denver, CO 80203, Objections to the release of funds on bases other than these stated above will
