CHAPTER 7 INFORMATION RESOURCES AND NETWORKS

1.1 INTRODUCTION

This chapter provides a list of sources for additional information on management of floodplain and stormwater related issues that are covered by this manual, and may include name, address, telephone and fax numbers, email and Internet address, and other available repositories of information (i.e. libraries). For the list of reference materials (books, manuals, etc.) used in preparing the Statewide Manual, readers are referred to Chapter 16 of the manual. The CWCB has made every effort to keep the following web site address up to date. However, due to rapid changes in technology, the web site addresses may be different than these listed below.
