

**APPENDIX 7
WEED ABUNDANCE AND MONITORING
DATA SHEETS**

Weed Density Monitoring Data

Weed species _____
 Date of monitoring _____
 Name of observer(s) _____
 Computer file name _____
 Manual file name _____

Circle the type of plant unit being counted or estimated:

Number of rooted plants

Number of flowering stems

Other (specify)

Do the counts or estimates include seedlings? Yes No

Data are: Counts Estimates

Size of plot: _____ ft. x _____ ft.

Property name or Management Area name _____

Name of area where density data collected _____

Location of area _____

Name or ID number of weed infestation _____
