## A MESSAGE FROM THE SECRETARY

---

Dear Voter,

As Colorado's chief elections official, it is my pleasure to provide you with the 2009/2010 Colorado Military and Overseas Voters' Guide. With this guide we are providing military and overseas voters with information and application forms necessary to vote in Colorado's upcoming elections.

Colorado has a long history of encouraging and reaching out to its voters overseas. Through cooperation with our county clerks, my aim is to inform voters who will be stationed or travelling abroad about registration requirements and ways to cast a ballot while out of the country.

Historically, too few of Colorado's military serving overseas have succeeded in casting their ballots. It is my goal to identify impediments and find solutions to these obstacles. To that end, we will continue our work with the Colorado General Assembly and the military to find efficient and practical avenues for our overseas voters to exercise their right to vote.

Certainly, delivery and registration issues will arise and time will be critical to ensure these ballots are received and counted. This guide will provide military and other overseas voters the resources needed to plan ahead or address any issues that may arise with receiving or casting a ballot while overseas.

Please know that my office and the offices of the county clerks stand ready to assist in any way possible to ensure that these overseas ballots are relayed in an efficient and timely manner.

I hope this guide helps to answer or resolve any issues or questions that may arise. If it doesn't, please contact my office at [elections@sos.state.co.us](mailto:elections@sos.state.co.us).

Sincerely,

Bernie Buescher  
Secretary of State

## GENERAL INFORMATION

---

### WHAT ARE THE QUALIFICATIONS TO REGISTER TO VOTE AS A COLORADO CITIZEN?

---

Every person who is 18 years of age or older at the time of the next election, a United States citizen, and a legal resident of Colorado is entitled to register and vote in Colorado.

### WHAT IS UOCAVA?

---

Colorado citizens who are either temporarily or permanently overseas and all active military personnel, including their spouses and dependents, are eligible to vote by mail under The Uniformed and Overseas Citizens and Absentee Voting Act (UOCAVA) and Colorado law.

### WHO IS AN ABSENT UNIFORMED SERVICE ELECTOR?

---

An absent Uniformed Service Elector is defined as:

- A member of a uniformed service of the United States who is a resident of this state but who is absent from the state by reason of active duty;
- A member of the merchant marine of the United States who is a resident of this state but who is absent from the state by reason of service in the merchant marine;
- A member of the Colorado National Guard who is a resident of this state, but who is absent from the state by reason of active duty; or
- A spouse or dependent of a person described above, who is a resident of this state but who is absent from the state by reason of the active duty or service of that person.

(Section 1-2-208(2.5)(a), C.R.S.)

### WHO IS AN OVERSEAS ELECTOR?

---

There are two types of Overseas Electors:

- **Temporarily Overseas:** A Resident Overseas Elector is a resident of Colorado who is living temporarily outside the United States.
- **Permanently Overseas:** A Nonresident Overseas Elector is defined as a citizen of the United States who resides permanently outside the United States and who was a resident of Colorado immediately prior to leaving the United States. A Nonresident Overseas Elector is eligible to vote for federal races only.

(Section 1-2-208(2.5)(b) and (c), C.R.S.)

# VOTER REGISTRATION & ABSENTEE BALLOT Q&A

---

## **WHAT IF I AM A U.S. CITIZEN, BUT I HAVE NEVER RESIDED IN THE U.S.?**

---

If you are a U.S. citizen who has never resided in the U.S., you may register in Colorado and vote (for Federal offices only) by claiming one of your U.S. citizen parent's legal residence address. You must register to vote as a Non-resident Overseas Elector using your parent's Colorado residence address. (Section 1-2-209(1.5), C.R.S.)

## **HOW DO I REGISTER TO VOTE AND REQUEST A MAIL-IN (ABSENTEE) BALLOT?**

---

Submit a Federal Post Card Application or Standard Form 76 (FPCA) to your county clerk and recorder. The FPCA is a universal form used for both voter registration and absentee requests. The FPCA is available on the Federal Voting Assistance Program (FVAP) website at: <https://www.fvap.gov/r3/fpca>.

All military and overseas citizens are encouraged to submit an updated FPCA each year to update their information with the county clerk and recorder. (Section 1-2-208, C.R.S.)

We also strongly encourage all military and overseas electors to provide alternate contact information, including an email address. This information will allow the county clerk and recorder to contact you about your ballot, and provide you with important election information.

## **WHICH U.S. ADDRESS DO I USE WHEN I REGISTER TO VOTE FROM OVERSEAS?**

---

You must provide the complete street address of your Colorado voting residence. For overseas electors, this is the last residence you maintained in Colorado prior to your departure. Even though you may no longer maintain formal ties to that residence, the address determines your proper voting jurisdiction. You must provide a residential address; a post office box is not sufficient.

## **WHAT IS THE DEADLINE TO SUBMIT AN APPLICATION FOR VOTER REGISTRATION AND TO REQUEST A MAIL-IN BALLOT?**

---

An application for voter registration must be submitted no later than the 29th day before the election.

Please note that if you wish to vote in a Primary Election, you must be affiliated with a participating party. If you wish to change your affiliation from one party to another, you must do so no later than the 29th day prior to the Primary Election. (Section 1-2-208, C.R.S.). If you are unaffiliated and wish to declare an affiliation, you may do so up to and on election day. However, in order to receive a ballot for the Primary Election, you must declare an affiliation with a participating party on your application for a mail-in ballot.

An application for a mail-in ballot must be received by the county clerk and recorder no later than the close of business on the 7<sup>th</sup> day before the election if you wish to receive the ballot by mail. If

you would like to receive the ballot by fax, the request must be received no later than the close of business on the Friday before the election. Please keep in mind that if you would like to receive the ballot by mail, 7 days may not be sufficient to receive, vote, and return your ballot.

If you are a uniformed service member serving outside the United States, or a dependent absent from the United States for the same reason, and are unable to receive your ballot by regular mail or fax, you may request to receive your ballot by electronic mail. Your request for an electronic mail ballot must be received no later than the close of business on the Friday before the election.

### **DO I NEED TO SUBMIT A SEPARATE BALLOT APPLICATION FOR EACH ELECTION?**

---

Submission of an FPCA form serves as a request to receive mail-in ballots for all state and federal elections held through the next regularly scheduled general election. Military and overseas electors must submit an updated request prior to each general election unless they have requested a permanent mail-in ballot.

All Colorado citizens may now request a permanent mail-in ballot. You may indicate that you wish to be added to the permanent mail-in ballot list in the "Additional Information" section (box 6) of the FPCA. Keep in mind, however, that if you choose this option you must update your information with the county clerk and recorder frequently in order to ensure that you will receive your ballot. We recommend submitting an updated FPCA each year to ensure the county clerk and recorder has your most current information.

### **HOW WILL I KNOW IF MY APPLICATION IS RECEIVED?**

---

Once the county clerk and recorder has processed your application, you will be notified. If your application is incomplete for any reason, you will be notified and advised as to what additional information is required.

### **HOW CAN I VERIFY THAT MY VOTER REGISTRATION INFORMATION IS COMPLETE?**

---

To review your voter registration information, log on to the Election Center page of the Secretary of State website and click on Verify Your Voter Registration Information. You may also use the following link: [www.govotecolorado.com](http://www.govotecolorado.com). You will need to enter your first and last name, date of birth, and the zip code of your residential address in Colorado to access your information. You will be able to review your mailing address, precinct and district information, party affiliation, and contact information for your county clerk and recorder, as well as track the status of your ballot during an election.

### **WHEN SHOULD I RECEIVE MY BALLOT BY MAIL?**

---

Counties will mail ballots to military and overseas voters 30 days before the election. You should receive your ballot within two weeks after it has been mailed by the county. You can also check whether your ballot has been mailed through the registration verification tool on the Secretary of State website.

## **WHAT IF I DON'T RECEIVE MY BALLOT?**

---

If you have not received your ballot two weeks before the election, contact your county clerk and recorder. Your county clerk and recorder will be able to assist you in determining the status of your ballot, or issue a replacement ballot if necessary.

## **WHO IS ELIGIBLE TO RECEIVE AND RETURN A BALLOT BY FAX?**

---

All military and overseas electors may request to receive and return their ballot by fax. If you would like to receive your ballot by fax, be sure to provide your county clerk and recorder with a complete fax number, including the international prefix and country code. You should also provide an email address or other contact information where the county clerk and recorder may contact you regarding your request.

It is important to note that if you choose to return your voted ballot by fax, you must voluntarily waive your right to a secret ballot.

## **WHAT IF I DO NOT HAVE RELIABLE MAIL OR ACCESS TO A FAX?**

---

Uniformed Service Members serving outside of the United States may request to receive and return their ballot by electronic mail where regular mail or fax transmission is not feasible. This also applies to spouses and voting age dependants who are overseas because of the active duty of the service member.

If you request to receive your ballot by email, you will receive the blank ballot as a PDF attachment to an email. In order to return your voted ballot using this method, you must print and vote the ballot, then scan it and attach it as a PDF to an email.

It is important to note that if you choose to return your voted ballot in this manner, you must voluntarily waive your right to a secret ballot.

## **WHAT IS A FEDERAL WRITE-IN BALLOT?**

---

Any Absent Uniformed and Overseas Elector is entitled to vote for federal officers by a Federal Write-in Absentee Ballot (FWAB) at any primary, general, or congressional vacancy election. The elector may designate the federal candidate by writing in the name of the candidate or by writing in the name of a political party or political organization, in which case the ballot will be counted for the candidate of that political party or political organization.

If an application for a Colorado mail-in ballot has been received and processed by the county clerk and recorder but a FWAB is returned, only those votes cast for the federal officers on the FWAB will be counted. However, if both a Colorado mail-in ballot and a FWAB are returned, the FWAB will be voided and votes will be counted from the Colorado mail-in ballot.

You may obtain a FWAB from federal and civilian Voting Assistance Officers, or by contacting the Federal Voting Assistance Program [www.fvap.gov](http://www.fvap.gov).

## **WHAT IS A SPECIAL WRITE-IN BALLOT?**

---

Any military or overseas elector may apply to the county clerk and recorder for a Special (State) Write-in Ballot (SWMB) to vote in any state or federal election. On an application for a SWMB, the elector must state the military or other contingencies that preclude normal mail delivery. A SWMB is available beginning 57 days before the election.

The elector may designate his or her candidate(s) by writing in the name of the candidate(s) or by writing in the name of a political party or political organization, in which case the ballot shall be counted for the candidate of that political party or political organization. The elector may designate his or her vote for all issues and questions for which the elector is eligible to vote.

If both a FWAB and a SWMB are returned by the voter, the FWAB will be voided, and votes shall be counted from the special write-in ballot. If both a Colorado mail-in ballot and a SWMB are returned, the SWMB will be voided, and votes shall be counted from the Colorado mail-in ballot.

## **WHAT IS THE DEADLINE FOR RETURNING MY VOTED BALLOT?**

---

Your ballot must be received by the county clerk and recorder no later than 7:00 p.m. on Election Day unless you are a Uniformed Service Member serving outside of the United States.

All mail-in ballots cast by Uniformed Service Members serving outside of the United States must be voted and mailed or transmitted by 7:00 p.m. on Election Day. These ballots must be in the hands of the county clerk and recorder no later than the close of business on the 8th day after Election Day. This also applies to spouses and voting age dependants who are overseas because of the active duty of the service member.

## **WHAT IF I AM NO LONGER A UOCAVA ELECTOR OR I HAVE BEEN REASSIGNED TO A NEW LOCATION?**

---

If the address listed on your application changes due to reassignment or if you return to the United States, you will need to update your voter registration by contacting you county election office. The best way to update your voter registration if you are still a military and overseas elector is to submit an updated FPCA to your county clerk and recorder. If you are no longer a military or overseas elector, you should submit a state voter registration form to update your information.

## **HOW CAN I VOTE IF I WAS RECENTLY DISCHARGED BUT THE DEADLINE FOR REGISTRATION HAS ALREADY PASSED?**

---

Uniformed service members who were serving outside the United States and were discharged from the military after the close of registration may register to vote in person at the county clerk and recorder's office. You will need to complete an emergency registration and note that the reason for the emergency registration is discharge from active duty. (Section 1-2-217.5(2)(e), C.R.S.)
