

Addendum to the Technical Memorandum “U.S. 287 at Lamar Floodplain and Drainage Analysis” dated June 2003

PREPARED FOR: U.S. 287 at Lamar - CDOT Region 2
PREPARED BY: Laura Dreher/CH2M HILL
COPIES: CH2M HILL Project File
DATE: August 2, 2007

The floodplain and drainage analysis findings as reported in the Technical Memorandum “U.S. 287 at Lamar Floodplain and Drainage Analysis” dated June 2003, remain unchanged. Updates to the Technical Memorandum are not needed and the findings in the Environmental Assessment remain valid.
