

Addendum to the Technical Memorandum “An Archaeological Inventory of Additional Areas Associated with the Proposed U.S. 287 Lamar Bypass in Prowers County, Colorado” dated November 2003

PREPARED FOR: U.S. 287 at Lamar - CDOT Region 2

PREPARED BY: Laura Dreher/CH2M HILL

COPIES: CH2M HILL Project File

DATE: August 2, 2007

The archaeological inventory as reported in the Technical Memorandum “An Archaeological Inventory of Additional Areas Associated with the Proposed U.S. 287 Lamar Bypass in Prowers County, Colorado” dated November 2003, remain unchanged. Updates to the Technical Memorandum are not needed and the findings in the Environmental Assessment remain valid.
